The quantities of yarn stated are based on average requirements and are therefore approximate

Tension

4 ½ mm 20 sts x 26 rows = 10cms (4ins) using st-st.

It is essential to obtain the correct tension with the yarn used, a small test square should be worked. If the test square measures more than the required measurements, try again using smaller needles. If the test square measures less than required measurements, try again using larger needles.

Abbreviations

Rib = K2, P2, St st = Stocking stitch (1 row knit, 1 row purl), rep = repeat,

Needles

Pair 4 ½ mm (UK7-USA7) needles and 5 ½ mm (UK5-USA9)

Technique

Each colour is worked with a separate ball of yarn, and the yarns are crossed at the colour change to lock the sections together.

To change colours in the middle of a row:

1. With the first colour, knit up to the colour change, drop the first colour.
2. Pick up the second colour, crossing the yarn underneath the first colour, and work the first stitch tightly.
3. Give the end of the old colour a slight tug to lock the colours together, continue knitting with the second colour.

Hoof Print Pocket

Using 4 ½ mm (UK7-USA7) needles and main cast on 19(25, 29)sts
